## 1.0 Cookies

Our website uses cookies. They are placed by software that operates on the server, and by software operated by third parties whose services we use.

This page describes what information cookies gather, how we use it and why we sometimes need to store these cookies. We also describe how you can prevent these cookies from being stored. However this may downgrade or 'break' certain elements of the sites functionality.

By using [midfieldplumbers.co.uk](http://midfieldplumbers.co.uk) you consent to this cookies policy. If you are unhappy with anything in the following policy statements you should leave the website.

## 2.0 What are cookies?

Cookies are small text files that are placed on your computer's hard drive by your web browser when you visit any website. Cookies allow information gathered on one web page to be stored until it is needed for use on another, allowing a website to provide you with a personalised experience and the website owner with statistics about how you use the website so that it can be improved. This is common practice with almost all professional websites. Some cookies may last for a defined period of time, such as one day or until you close your browser. Others last indefinitely. Your web browser should allow you to delete any you choose. It also should allow you to prevent or limit their use.

You can find out more at <http://www.bbc.co.uk/webwise/guides/about-cookies> and for more general information on cookies see this Wikipedia article on HTTP Cookies: [https://en.wikipedia.org/wiki/HTTP\\_cookie](https://en.wikipedia.org/wiki/HTTP_cookie)

## 3.0 How we use cookies

If you choose not to use cookies or you prevent their use through your browser settings, you will not be able to use all the functionality of the website. Unfortunately in most cases there are no industry standard options for disabling cookies without completely disabling the functionality and features they add to this site.
